

# A NEW SEASON

---

*Lesvos, Greece –November 2018*

## YWAM *Next Wave*

I joined YWAM NEXT WAVE on the 8<sup>th</sup> of September 2018 after serving on & off on The ARFICA MERCY for about 1 year 6 months.

I feel very excited on this new path and new way of serving that God has put me into. I am serving as Purser/Deck Hand.

We, the bosun and I, are responsible for the maintenance of the boat and the paper work too.

The ministry works with refugees and this offers me a unique opportunity to reach out to those in need and to share the Good News.

To achieve all of this will require your support. I would like to implore your support in this journey both financially and spiritually.

Thank you in advance for your generosity and may God continue to bless you all!
